

Call for Participation

We invite you to join us in **13th International Conference on Mechanical Engineering (Meche 2026)**

13th International Conference on Mechanical Engineering (Meche 2026) serves as a premier global forum for the presentation and exchange of the latest advancements in mechanical engineering theory, methodology, applications, and emerging challenges. As the field continues to evolve at an unprecedented pace driven by breakthroughs in automation, intelligent systems, advanced materials, sustainable technologies, and computational engineering, Meche 2026 provides an essential platform for documenting and disseminating both practical innovations and fundamental research that shape the future of mechanical engineering.

Highlights of MECHE 2026 Include:

- 10th International Conference on Biomedical Engineering and Science (BES 2026)
- 10th International Conference on Civil Engineering (CiViE 2026)
- 10th International Conference on Chemical Engineering (CHEME 2026)

Registration Participants

Non-Author/Co-Author/Simple Participants (no paper)

100 EURO for Online (Without Proceedings)

490 EURO for Face to Face (With Proceedings)
